

Segregated Funds: Questions to Ask

A discussion worksheet for your insurance professional

My goals and intended timeframe: _____

☐ How does this product work, and who provides the contract?

☐ What risks, fees, and ongoing charges should I understand?

☐ What guarantees apply, and what conditions limit them?

☐ What happens if I withdraw early or change my plan?

☐ What beneficiary and estate considerations should I discuss?

☐ What alternatives should I compare before deciding?

☐ Which contract documents should I read before proceeding?

Questions or terms that need clarification:

Record the professional's answers and review the actual contract.
