

Corporate Tax Preparation

Business records discussion checklist

Business name: _____ Year-end: _____

☐ Prior financial statements and corporate tax correspondence

☐ Bookkeeping records and account reconciliations

☐ Bank, credit card, loan, and financing statements

☐ Sales invoices, expense records, and supporting receipts

☐ Payroll and contractor payment records, where relevant

☐ Asset purchases, disposals, and inventory records

☐ Notes on ownership changes and significant transactions

Items to discuss with the accountant:

Ask your accountant which records and filing obligations apply.
